INDEPENDENT AUDITOR'S REPORT

Board of Directors
The International Primate Protection League
Summerville, South Carolina

We have audited the accompanying statement of financial position of The International Primate Protection League as of December 31, 2010, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The International Primate Protection League at December 31, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

THE INTERNATIONAL PRIMATE PROTECTION LEAGUE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

Note 1. Nature of Activities and Summary of Significant Accounting Policies

Nature of Activities

The International Primate Protection League (IPPL) is a nonprofit organization whose purpose is to educate the public on issues of primates, investigate the illegal trafficking in primates, and to provide a facility for the care and rehabilitation of gibbons released from research facilities. The Organization is supported primarily through donor contributions grants and bequests.

Basis of Accounting

The financial statements of IPPL have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

Basis of Presentation

Financial statement preparation follows the recommendation of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-For-Profit Organizations. Under SFAS No. 117, IPPL is required to report information regarding its financial position and activities according to three classes of assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, IPPL considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$300. Property and equipment is carried at cost less accumulated depreciation. Depreciation is provided over the estimated useful life of the related assets using straight-line methods. Expenditures for maintenance and repairs are charged to expense as incurred.

Note 1. Nature of Activities and Summary of Significant Accounting Policies
(continued)

Functional Expenses

Directly identifiable expenses are charged to programs and services. Expenses related to more than one function are charged to programs and supporting services on the basis of personnel time and space utilized for the related activities. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Donated Services

Donated services are recognized as contributions in accordance with SFAS No. 116, Accounting for Contributions Received and Contributions Made, if the services (a) create or enhance non-financial assets of (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers also provided administrative services throughout the year that are not recognized as contributions in the financial statements since the criteria for SFAS No. 116 are not met.

Note 1. Nature of Activities and Summary of Significant Accounting Policies
(continued)

Donated Assets

Donated marketable securities and other non-cash donations are recorded as contributions at their estimated fair values at the date of donation.

Income Taxes

IPPL is a not for profit organization and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. By reference, the State of South Carolina adopted this code; hence, IPPL is also exempt from South Carolina income taxes. Classification by the Internal Revenue Service is other than a private foundation.

Investments

Investments in marketable equity securities with readily determinable fair values and all investments in debt securities are stated at fair market value. Investment income of endowment funds, unless restricted to a specific purpose or required to be added to the principal of the endowment, is available for unrestricted purposes and, if any, is included in the change in unrestricted net assets.

Inventories

Inventories consist of retail merchandise available for sale to the general public. Inventories are stated at cost determined on the first-in, first-out method.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2. Related Party Transactions

IPPL houses some of the gibbons on three acres of land leased from a former employee of the Organization. The lease is accounted for as an operating lease and may be canceled by either party with a 30 day written notice. Lease expense for the year ended December 31, 2010 amounted to \$4,800.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2010

Note 3. Credit Risk

IPPL has accounts held by one banking institution. Amounts held by the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2010 the entire bank balances of \$84,094 was fully insured.

The risk of loss from any uninsured cash balances during the year is mitigated by the use of nationally recognized financial institutions and is monitored by the management.

Note 4. Investments

Investments are stated at fair market value, and consist of the following at December 31, 2010:

	<u>Cost</u>	<u>Fair Value</u>	<u>Unrealized Appreciation (Depreciation)</u>
Money market funds	\$ 240,774	\$ 240,774	\$ -

Note 5. Property and Equipment

Property and equipment consist of the following as of December 31, 2010:

Land, buildings and improvements	\$1,294,486
Furniture, fixtures and equipment	717,341
Less accumulated depreciation	<u>(805,199)</u>
Net	<u>\$1,206,628</u>

Depreciation expense for the year ended December 31, 2010 was \$79,699.

Note 6. Restrictions on Net Assets

Permanently restricted net assets consist of endowment fund assets to be held indefinitely. The income from the assets can be used to support the Organization's general activities.
